109ml and 312ml Gaming Gear Dusters

Your CPU is vital to your competitive edge. An overheated CPU can cause you to crash and burn. Use the Gaming Gear Duster to clear away dust and lint (and bugs at times!) from the inner workings of your CPU, cooling vents and fan. Clean between keyboard keys and inside your mouse to prevent lost time during competition.

Gaming Gear Wipes

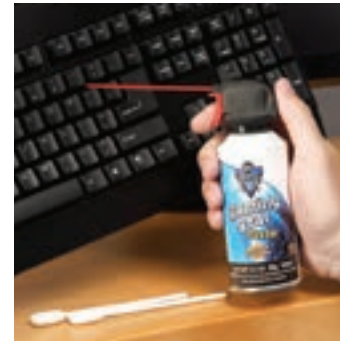

Keep fingerprints, smudges and germs at bay and leave surfaces static-free. Use these wipes on the housing of your monitors, CPUs, consoles and controllers. Also wipe away game gunk from your keyboard, mouse and mousepad. Maintaining clean equipment is paramount to your success as you compete and keeps you focused on winning.

Available in two sizes:
80 ct. and 35 ct. tubs.

LCD/Plasma Screen Care

Your screen – your portal into smoking the competition. One bad smudge can impair your ability to win a match. Whether used on a LCD or Plasma TV for console gaming, or a computer monitor for PC gaming, our Screen Care is safe. Use the spray directly on the screen and then wipe and polish with the soft, microfiber cloth. Don't let any grime get in your way!

PC or Console Gaming Cleaning Kit

The essential companion to every gamer, this kit contains the tools you need to keep your equipment at peak performance.

- 109ml Duster: Clear dust and dirt from your CPU, keyboard, mouse and headphones.
- LCD Spray and Microfiber Cloth: Safety cleans your TV or computer screen and works great to clean Guitar Hero instruments and shiny consoles. Clean used DVD and Blu-Ray disks too!
- Cleaning Swabs: Clean keyboard keys, mouse and fins on your CPU.

Keyboard Quiver™

Serious gamers require serious equipment.
